

## MEMBER LEVELS

### Q. What is Member Levels?

A. Member Levels is a Wyndham Rewards Program that rewards Members with perks based on how often they stay at Wyndham Rewards Participating Hotels. As Members complete more Qualifying Nights, they can unlock new levels and get more perks.

There are four Member Levels: Blue, Gold, Platinum and Diamond.

In addition, a fifth Member Level (Titanium) is available by invitation only.

### Q. How does a Member obtain each Member Level?

A. To obtain a Member Level, a Member must complete the required number of Qualifying Nights as outlined below:

Member Level	Qualifying Nights
Blue	Upon enrollment
Gold	5
Platinum	15
Diamond	40

### Q. What is a Qualifying Night?

A. "Qualifying Night" is any of the following:

- A paid, stayed night during a Qualified Stay at a Participating Hotel (so long as the Qualified Stay has an average daily rate of at least \$25 per night and satisfies other requirements as outlined in the program Terms & Conditions);
- A paid, stayed Discounted Night with Points + Cash at a Participating Hotel; or
- A stayed Free Night at a Participating Hotel.

### Q. Is a Qualifying Night the same as a Qualified Stay?

A. No. A Qualified Stay means all of the following are true of any stay: (i) a Member stays one or more consecutive nights at the same Participating Hotel; (ii) the nightly rate(s) for such Member's room over the course of such Member's stay, added together (but excluding taxes, surcharges and any other charges or fees) is at least \$25; and (iii) such Member pays all amounts payable for such stay in accordance with the Participating Hotel's then-applicable payment policies.

In order for a night to be considered a Qualifying Night it needs to meet the requirements of a Qualified Stay, in the case of a paid stay, in addition to the requirements outlined above.

**Q. Do Members start at Blue Level at the start of each calendar year?**

**A.** It depends. Members will maintain the level they obtain for the remainder of the year in which they unlock such level and all of the following calendar year. At the beginning of the next year, a Member’s level will be determined by the number of Rollover Nights he/she has accumulated from the prior years.

**Q. What are Rollover Nights? How do they work?**

**A.** Any Qualifying Night completed in excess of the number required to earn a particular Member Level but not enough to obtain the next level will be deemed a Rollover Night and will be banked for future use. Rollover Nights never expire.

For example, if a Member completes 7 Qualifying Nights in Year 1 (5 of them by June 1), no Qualifying Nights in Year 2, and 3 Qualifying Nights by April 1 of Year 3:

	YEAR 1	YEAR 2	YEAR 3
QUALIFYING NIGHTS	7 (5 of them by June 1)	0	3 (by April 1)
MEMBER LEVEL OBTAINED	Gold Level starting June 1 5 Qualifying Nights applied toward Gold Level	Gold Level For achieving 5 Qualifying Nights in Year 1 (Gold Level expires as of December 31)	Blue Level until April 1 0 Qualifying Nights in Year 2 Gold Level starting April 1 3 Qualifying Nights this year between Jan 1 and April 1 + 2 Rollover Nights
ROLLOVER NIGHTS	2	2	2 until April 1 0 as of April 1

**Q. Do Rollover Nights expire?**

**A.** No, Rollover Nights do not expire. They remain in a Member’s account and will continue to rollover from year to year until they are used toward obtaining a Member Level.

**Q. If a Member has multiple rooms reserved at a Participating Hotel for the same night, is each room night eligible to be a Qualifying Night?**

**A.** No, only the night(s) associated with the room in which the booking Member stays is eligible to be a Qualifying Night(s). To be considered a Qualifying Night, the Member’s room night must be:

- A paid, stayed night during a Qualified Stay at a Participating Hotel (so long as the Qualified Stay has an average daily rate of at least \$25 per night and satisfies other requirements as outlined in the program Terms & Conditions); or
- A paid, stayed Discounted Night with Points + Cash at a Participating Hotel; or
- A stayed Free Night at a Participating Hotel.

**Q. Do nights that a Member books through OTAs (like Expedia) count toward unlocking Member Levels?**

**A.** No. Nights that are booked through OTAs are not considered Qualifying Nights.

**Q. Can a Member only unlock Member Levels based on Qualifying Nights?**

**A.** No. Members can unlock Member Levels in any of the following ways:

- Completing Qualifying Nights as outlined above
- Receiving a level as a gift from a Diamond Member/Titanium Member
- Being or becoming a Wyndham Club Pass or Shell Vacations Club member in the United States
- Being a card holder of the Wyndham Rewards® Visa® with no annual fee or Wyndham Rewards® Visa® with \$75 annual fee

**A.** Yes. Although basic Wi-Fi access must be made available for free to all Members, hotels may charge for Wi-Fi access at a higher speed than the basic Wi-Fi access. As a courtesy to our most loyal Members, hotels are encouraged to consider waiving any fees for Diamond and Titanium Members.

**Q. What if my hotel is currently charging for basic Wi-Fi or wired high-speed internet access (HSIA)?**

**Q. What is the Early Check-in perk?**

**A.** Platinum, Diamond and Titanium Level Members can check in early up to two hours prior to your hotel's standard check-in time. If a Member requests an earlier check-in, your hotel may honor it at your discretion. **A.** No, hotels are only required to provide perks to the Wyndham Rewards Member named on the reservation. We recommend, however, that hotels honor the perks for traveling companions as a courtesy.

**Q. What is a Suite Upgrade?**

**Q. How do I handle the suite upgrade perk if my hotel does not have suites?**
